Commissioner for Patents

Attached please find a corrected copy of the Office Action Summary (PTO Form 326) mailed with the Non-Final Rejection (Paper No. 4072007) of 16 April 2007. The corrected copy unchecks box 2a and checks box 2b to indicate that the attached action is a Non-Final rejection in view of the new grounds of rejection set forth therein in response to the RCE of 12 March 2007. The typographical error was brought to the attention of the Office by Michelle Lester in a telephone conversation with the undersigned on April 26, 2007. As indicated in the telephone conversation, correction of the typographical error will NOT reset the shortened statutory period set forth in the Office action of 16 April 2007. Accordingly the shortened statutory period will remain set to expire 3 months from the 16 April 2007 mailing date of the Non-Final Office action.
